N/A

OBSERVED VIOLATIONS

1. N/A

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may also be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

ADDITIONAL COMMENTS

1. The winter cover crop appears somewhat patchy. **Contact Rick Morris for advice concerning weed control or reseeding during the spring months.**
2. The field markers are adequate and it appears that the approved setbacks are being met.
3. The required signs are posted and the access road is adequate.
4. No recent application and no odors noted.
5. Ensure that the 50' buffer is maintained from the front of the disposal fields to any neighboring crop for human consumption.

Please contact me if you have any questions or concerns regarding this inspection report.
